December Income Reaches New All-Time Low

377 Churches Will Have to Give $25,498.18 to Equal '31-'32 Total

Tabulation Published Below Records Amount Each Church Is Shy of Last Year's Total at the Close of the Third Quarter

MANY WILL SOON PASS MARK

When This Is Done They Will Be Transferred to Other List in Today's Messenger

Believing that all Presbyterians of North Carolina would like to know the status of their church's giving to the Presbyterian Orphans' Home during the past nine months of the church's year, a chart has been prepared which shows the sum necessary for each church to give in order that it might equal the total contributed to the Orphanage during the entire year, 1931-32.

This tabulation is in contrast to another one appearing in this issue of The Messenger, which shows that 121 churches have already passed their last year's mark. The list below contains 377 churches. The shifting from one column to the other will be interesting to compare as the last three months receipts are calculated here. As soon as any church goes beyond its '31-'32 total it will be transferred to the other column, and the percentage of increase will be given.

It is not intended that this should be a gauge to the giving of the next three months, but it is the hope of Barium officials that it will be an impulse to the individual. Some churches lack only a few cents of being ahead, and others are several thousand dollars behind. In the former cases, it is believed that many of the churches will yet double their 1931-32 giving, and it is hoped that those which are far behind will be able to go over their former mark.

The total amount below for the 377 churches is $25,498.18. Should this amount be received, plus the amounts yet to be sent by those 121 churces which are already beyond last year's mark, the income of the Orphanage would be several thousand dollars in excess of 1931-32, and this would also mean a reduction of the debt of the institution—something which the officials are most anxious to enact, but which can be done only in proportion to the financial response of the churches of North Carolina.

Two churches of the Synod have given a duplicate amount for the two years, and are not included in either of the lists. This brings the total to 500, which means that 27 churches in North Carolina have not given to the Orphanage to date. This is decidedly better than the 257 delinquent churches announced in the November issue of The Messenger, and means that 220 of them have responded during the last two months. Much of this has been in the Thanksgiving Offering, however, and a large proportion of the 257 still do not send regular monthly amounts to Barium.

Authorities at Barium anticipate a comeback from some of the churches, which will maintain that they are not shy this much. An agreement is already given to this, for some of the Presbytery and Presbyterial Secretaries send funds to Barium in a lump sum and undesignated as to the churches from which they were sent. However, at the end of the year, the Secretaries will give

Increased Number Are Contributing to Barium

New Participants In This Years Thanksgiving Offering Total Approximately 200

A considerably larger number of organizations in the Presbyterian churches of North Carolina are participating in the 1932 Thanksgiving Offering for the Presbyterian Orphans' Home at Barium Springs. To date, 143 churches, Sunday Schools and Women's Auxiliaries, who did not contribute in 1931, have sent in gifts for 1932.

It was further revealed in an examination of the receipts ten days ago that 187 organizations, which contributed in 1931, had not yet re-

Barium Teams In Three Victories

Boys Win One and Girls Cop Two-Substitutes Also Winners

Athletic teams at the Orphanage launched their winter sports in December, but the holidays brought a break in the schedules which will be resumed when the school sessions reconvene. To date, the boys varsity basketball team has played one game and won it. The girls' varsity sextette has been victorious in a couple of contests, and the second string girls were successful in their meet with a substitute team of a nearby town.

In all of the engagements, the Barium outfits have shown some possibilities, but these early season games were, as a whole, ragged and poorly played. The boys' varsity displayed a flashy spurt at the opening of the second half of their contest, and with a few weeks' training they should be in top-notch form.

Four veteran girls are at Barium for the varsity this season, while only one letterman is back for the boys' five. The other four are now candidates for the freshman team at Davidson College. Capt. Shannon, Brooks, Norman and Yarbrough are the quartette of seasoned players among the girls, and Capt. Morris Freeman is the single veteran of the boys.

Barium Boys 22, Mt. Ulla 8

Barium had little difficulty disposing of the Mt. Ulla five, 22 to 8. They led at the quarter, 6 to 0, and lengthened this advantage to 10 to 1 at the half, the foul shot being caged after the whistle blew for intermission. In rapid-fire order they rang up three baskets as the third period started, but coasted along for a third-quarter lead of 16 to 5. Cheek Freeman was high scorer for the winners with seven points. The Mt. Ulla Captain, W. Kennedy, obtained half of his team's points, but the floor work of Brown, tiny substitute forward for Mt. Ulla, featured the evening's playing.

Barium Girls 16, Mt. Ulla 15

In a nip-and-tuck battle, the Barium sextette nosed out the Mt. Ulla girls, 16 to 15, though it required an extra three minutes of playing to decide the winner. Barium started off as if a victory would be easy, and were leading 5 to 2 as the first bracket closed. However, Mt. Ulla showed a spurt in the second and brought the score to eight-all at the half. This supremacy continued for Mt. Ulla and they had a 14 to 10 lead over the Barium girls when the third quarter closed. Barium tightened her defense and cut loose with an offense in the closing stanza to score six points to one for Mt. Ulla to tie the game up 15-15. In the extra minutes Barium caged a foul shot to win the game.

Barium Girls 23, Cleveland 5

The girls had easy sailing in their second contest, handily winning from a crippled Cleveland outfit, 23 to 5. However, Cleveland took an early lead, and scored three of their total five points in the first quarter for a 3 to 0 lead. Barium got started and held Cleveland to one foul shot in the second quarter, one point in the third, and held them scoreless in the final. In the meantime, Barium scored six tallies in each of the second and third quarters, and romped away with 11 points in the final.

In both the Mt. Ulla and Cleveland games, Brooks, tall Barium center, was high scorer with 10 and 14 points, respectively.

Many Churches Have Exceeded 1931-1932 Total

It Is True Although Only Nine Months of Church Year Have Passed

EXCESS IS $2,287.66

List of 121 Includes 34 Non-Contributors of 1931-1932

Three quarters of the church year have passed, and as shown in other articles in this issue of The Messenger, the contributions to the Orphanage are below those of a year ago. This fact is discouraging to those who work daily with the boys and girls here, but bursting through this discouragement and acting as a beacon light and hope for the future is the comforting knowledge that some of the churches have not fallen down in their gifts to the Orphanage endeavor.

Upon a minute examination of the financial receipts to date, it was found that 121 of the 537 churches in the North Carolina Synod had already contributed more for the year 1932-33 than they did in 1931-32, and another three months are yet to pass. It is believed here that some of these churches will double their giving of last year before the books are closed on April 30th.

Giving to the Orphanage has reached a new low ebb this year, and had it not been for the generosity of these 121 churches the total receipts would perhaps be far below what they were one year ago at this time. Some of the other 537 churches in this state are on the border line of passing their 1931-32 total receipts, and subsequent publication of names of churches going above last year's total will bring this number appreciably higher.

This group of 121 churches includes 34 which did not contribute to Barium last year. These 34 churches and their organizations have already contributed a total of $258.61, which means that the 87 other churches have already increased their total giving by $2029.05 over the nine months period for a total given of $2287.66 for the entire group of 121.

It has been suggested from time to time that the Orphanage establish an honor list of churches, but there are so many angles to such that it has been deemed inadvisable to do this. The measuring rod would vary in almost every instance. But the list of 121 churches who have already passed last year's total might be construed as a honor list, to which it is hoped many others will be added in the February issue of The Messenger.

The double purpose of publishing this list is to give credit to those churches which have ignored the depression, and have given that old man a couple of wallops to excell last year's mark, and a second pur-

Barium Planning For Tournament

Many Basketball Teams to Enter Mid-Piedmont Play in February

Dates for the second annual mid-Piedmont basketball tournament, which is to be staged on the basketball court of the Presbyterian Orphans' Home at Barium Springs, have been announced as February 17, 18, 20, and 21. The dates have been arranged far in advance to avoid any conflicts with the county tournaments, so that all schools can be represented in the tournament.

This affair is arranged without expense to the Orphanage, for any expenditures are cared for out of the gate receipts. Last year there was a small sum left over to assist Barium in its physical education program, which provides some form of physical training for every boy and girl here.

Nine counties sent delegations to the first mid-Piedmont tourney at Barium last year and these counties sent 28 boys' and girls' teams to the Orphanage. Three days were allotted to the playing of last winter, but four days have been set aside this year because of the increased number of participating quintets expected. Those county tournament conflicts of last season are expected to be eliminated, because this early announcement will avoid this contingency.

Winners of last year's tournament were the North Brook high school boys of Lincoln county, and the girl sextette from Banoak high school of Catawba county. Added to the competitive playing was a foul-shooting contest, in which approximately 300 boys and girls partcipated. This will also be a feature of the 1933 tournament.

Silver cups were awarded to the winning fives last year, and these will be contested for again. They were given by Statesville concerns. It was stipulated that permanent possession can be gained only after winning the tournament for three consecutive years. Other awards will include gold and silver basketball charms given to the individual members of the winning team and runner-up, respectively. These are also given by enthusiastic Statesville fans.

Last year the tournament attracted wide attention throughout this section, and a capacity crowd witnessed many excellent basketball games. Most of the playing is done at night, with the exception of Friday afternoon. Play will start shortly after lunch that day and conclude about 11 o'clock that night.

December income for the Presbyterian Orphans' Home at Barium Springs reached a new all-time low last month, when only $23,557.68 was received here, $20,654.00 of which was Thanksgiving offering. December is the time when the greatest income is received, for it is during that month that the major portion of the Thanksgiving offering is sent to the Orphanage.

Compared with one year ago, the income was $4,585.20 less, and compared with December of 1930, it dropped $14,456.52. At the end of November, 1932, the income from the nine Presbyteries of the North Carolina Synod was $1,706.34 ahead of what it was one year ago, but the December total means that the Presbyteries have given $2,878.86 less in the past nine months.

The table of receipts monthly published in The Barium Messenger, news organ of the Orphanage, shows a corresponding new all-time low in amount contributed per member. The 75,000 Presbyterians of this Synod have averaged 69.2 cents per member so far this year, when the budget and operation of the Orphanage has been based upon an expectancy of 90 cents per church member during the first nine months.

Barium needs $1.20 from each of the 75,000 Presbyterians to operate each year, which means that the Presbyterians must rally to the support of the Orphanage in the sum of 51.8 cents per member during the last quarter of the church's fiscal year, or else the Orphanage will be faced with a greater financial crisis.

During 1931-1932, the income of the Presbyterian Orphanage dropped $21,000, which meant an equivalent incurrence of operating debt to that amount. The budget for 1932-1933 was based upon an anticipated income as great as that of the preceding year, but if the present trend in receipts continues, the Orphanage will have additional debt when its books officially close on March 31st 30th.

Twenty-Five Per Cent of Auxiliaries Are Shy

This Percentage Represents 95 of the 368 Auxiliaries in the N. C. Synod

According to the record of receipts at the Presbyterian Orphans' Home, 95 of the 368 Woman's Auxiliaries of the North Carolina Synod have not made any financial contribution to the Orphanage during the first nine months of the 1932-33 church year. This includes an investigation of the regular monthly income, the Thanksgiving Offering, clothing and clothing money, and any special monetary gifts made by the Auxiliaries of the state.

(FORM OF BEQUEST.)

"I give and bequeath to the REGENTS OF THE ORPHANS' HOME OF THE PRESBYTERIAN SYNOD OF NORTH CAROLINA, *Incorporated Under the Laws of the State of North Carolina,* (HERE NAME THE BEQUEST.)

Happy New Year!

—P. O. H.—

Have you made any New Year's resolutions? We hope that you resolved to be more generous toward the Orphanage in 1933.

—P. O. H.—

Twelve applications for entrance in a day's mail not long ago! What would you do if you were the head of the Orphanage, when the institution was already in debt, when you had necessarily eliminated many workers, and when it seemed almost impossible to care for additional children, let alone the present number, upon the basis of actual income and estimated income for the year? And there'll be more applications.

—P. O. H.—

During the past two weeks we have received two inquiries asking for the official title to be used for the Orphanage in making a will. We hope that our inquirers will live a hundred more years, but we are glad that they are thinking about us, and will make some provision for the Orphanage in their wills so that they will have a part in the destinies of many lives after their earthly mission is over.

—P. O. H.—

Our investigation reveals that only 25 per cent of the Auxiliaries of the Synod have failed to send a monetary contribution to the Orphanage during the past nine months. This is a low percentage, and the Auxiliary organizations are to be congratulated upon the splendid support they render to Barium. We are hoping that through letters from here and from the Synod Orphanage Secretary other Auxiliaries might join the many others that are making it possible to conduct this work.

—P. O. H.—

Young People's organizations are being enlisted in the support of the Orphanage, and favorable results have been noted recently. Several have responded to letters soliciting their financial interest. To date, approximately 20 Christian Endeavor Societies or Young People's Leagues have contributed to Barium. Considerable possibility lies in this direction, and we think that our belief along this line will find justification in subsequent responses from these organizations.

—P. O. H.—

The calendar year of 1932 has closed, but the church year lasts three more months. We are hoping that there will be unprecedented giving to the Orphanage by all churches and their organizations during the last quarter, which will more than offset the decline that is now evident in the 1932 Thanksgiving Offering. We reiterate our assertion of last month that much of the solution of our financial problem at the Orphanage lies in a regular and systematic contribution each month.

—P. O. H.—

We are inclined to write a heated editorial about the tremendous decline in the Thanksgiving Offering, and about what this means to us at Barium. However, we are going to let cold facts speak for themselves and are limiting ourselves to these pertinent questions, "DO YOU WANT THE USEFULNESS OF THE ORPHANAGE CURTAILED? DO YOU WANT OUR PRESENT SERVICE TO A REDUCED NUMBER OF CHILDREN IMPAIRED? WHAT ARE YOU GOING TO DO ABOUT IT?"

—P. O. H.—

Through the generosity of many of our friends every child at Barium was able to say this Christmas, "There is a Santa Claus." For a while it looked as if many of the boys and girls would not receive gifts, but at the last minute they arrived from unexpected sources and everybody received something. Santa could not be as generous as usual, but we are glad that everybody had some gift no matter how tiny and insignificant it might have been. It was the spirit in which they were given that counted, for we feel that some were sent at a sacrifice so that the day could be brighter for our boys and girls.

—P. O. H.—

We think that it is particularly fine that 121 churches in the North Carolina Synod have already exceeded the total given to the Orphanage in 1931-1932, and before our books close on March 31st, we feel that many other churches will be in that classification. We expect to give, each month, the percentage of increase over last year's total, or the amount that is necessary for a church to be transferred from the latter to the former list. We congratulate the churches that have exceeded their 1931-1932 mark, and will look forward to an increase in their monthly percentage, and to transferring other churches to this group.

—P. O. H.—

One of the healthiest and most encouraging signs we have observed lately is the fact that 183 more organizations in North Carolina Synod took part in the 1932 Thanksgiving Offering. It is sadly true that the total Offering is considerably below that of 1931, but the increased participation means a wider interest which will in time have material effect upon the financial status of Barium. Should there be a proportionate increase in the number of groups sending the Orphanage a monthly gift, the difference in the '31 and '32 Thanksgiving Offerings would be made up easily.

—P. O. H.—

If your hands are tightly tied, you have a very helpless feeling, and after awhile you are in pain. That is the way we oftentimes feel at the Orphanage when applications for entrance are received and we know that acceptance of any more children means the incurrence of an additional financial obligation. What shall we do? Turn a deaf ear to the pleadings for entrance, in cases where we know the need is urgent? The Synod of North Carolina, by the amount of money it is sending to the Orphanage, is keeping the knot mighty tight around our wrists, and the pain is not pleasant when one thinks of the opportunities that could be given to those who need a chance in life.

—P. O. H.—

Due to the limited amount of space in The Barium Messenger this month brought about by the listing of all contributions to the Orphanage during December, we are omitting the publication of any cottage news items. However, we will have an extra portion of this in the February issue, when the children will tell the world just how happy they were at Christmas time, and will voice their thanks at the same time. We hope that it will be joy to those who had a part in their Christmas to know that our children had such a delightful season. We can't thank all of you enough for making our boys and girls happy, which also meant a happiness for those who work here. It would have been rather sad if some had not been remembered.

—P. O. H.—

CHRISTMAS CARDS

Christmas at Barium is always a delightful time. We have visits from members of our family who have left us, and we have remembrances, Christmas cards and such.

We wish it were possible to acknowledge everyone of these Christmas cards by letter. We couldn't do it if we had the time, however, because quite a number fail to put a complete address on their Christmas card. Sometimes we do not have the full name. Of course we remember the name they went by as children, but women change their names when they get married (except those in the Movies).

We are giving below a list of the Christmas cards received, and we wish everyone of the senders a most Happy and Prosperous New Year.

BARIUM JOINS CONFERENCE

Barium Springs has at last joined a high school conference for athletics, and we are feeling rather good over it. All these years that Barium has been getting out athletic teams they have been on the outside looking in when it came to Championship contests. It is only in the rather widely spread orphanage groups that championship games could be played.

Barium has played representative teams from the various high school conferences; and has usually been fortunate enough to stand favorably with the champions. This past season, in football, Barium defeated both the champions of the Class B High Schools and the Champion Junior College. However, with all this when meets are held in Chapel Hill for high school competitions, we have never been allowed to enter because heretofore, we were not a tax-supported school. We have wanted to get in on the wrestling meets held in Chapel Hill, but we have been barred for the reason mentioned above. We have wanted to get in on the track meets but could not.

This year, things are different, and we have cast our lot with the South Piedmont Conference of High Schools composed of Lexington, Concord, Monroe, Belmont, Lincolnton, Hickory, Mount Holly, Mooresville, Kannapolis, Statesville, China Grove and Barium Springs; and we are looking froward with lively anticipation to our contests with this fine group of schools.

Something over half of our basketball games will be played with members of the conference. We hope to have numerous track meets with them, and in the coming fall to line up at least five football games with members.

We already have two members regularly on our schedule. Lexington and Concord, and we will no doubt line up three more when schedule making time comes around.

This does not mean that we are giving up our old friends and opponents. We hope to have our Class A teams on our schedule. Also Belmont Abbey and at least two orphanages.

Barium Springs is delighted with a cordial reception accorded her by the other members of the South Piedmont Conference. We believe that we face even a brighter future in having so many of this fine bunch of schools on our schedule regularly.

Miscellaneous Gifts

Note: We wish to thank all friends who sent gifts to the boys and girls. Many had no names or return addresses on them and we could not send you a personal message. We deeply appreciate every gift sent in to us and want you to know it.

CORRECTION: The 2 quilts listed in the last issue of The Messenger credited to Y. P. Group 2, Hightowers should have been Y. P. Group 2, Griers.

BARIUM TEAMS WIN

(Continued from page 1)

won their only game of the season so far, defeating Statesville's substitutes, 20 to 14. This was also a close contest, but Barium outpointed the visitors one point in each of 3 quarters, and three points in the fourth bracket. Barium held a half-time advantage of 8 to 6. Roberts, another tall jumping center, accounted for nine of the winner's tallies.

ALUMNI NEWS

(Continued from page 1)

Boulevard, Tampa, Fla., who left the Orphanage in 1925 has successfully passed the examinations for entrance into the United States Military Academy at West Point, N. Y. It was a further distinction that this former Barium student made the highest average of any contestant in the state of Florida. He will enter West Point next June.

BIRTHS

Mr. and Mrs. Earl Ward, of Durham, announce the birth of a daughter, Ann Marie, on October 25, 1932. Mrs. Ward was formerly Marie Edwards, 1926 graduate of Barium.

News has been received here of the birth of a son, Marvin, Jr., to Mr. and Mrs. Marvin Holder, of Sandy Hook, Md. Mrs. Holder was Edna Scoggins, '21 graduate, before her marriage. Marvin, Jr., is six months old.

MARRIAGES

Brown-Coble

Mr. and Mrs. John F. Hobbs, of Goldsboro, announce the marriage of their niece, Helen Frances Brown, to Glenn Monroe Coble, of Burlington, at 5:30 P. M. Saturday, December 17, the nuptial vows being said in the home of Mr. and Mrs. Hobbs. Mrs. Coble graduated from Barium in 1931, and since then has made her home in Burlington. Mr. Coble is a mechanical engineer. Mr. and Mrs. Coble are now residing in Burlington.

Moore-Ratcliffe

Mr. and Mrs. J. C. Yearby, announce the marriage of their niece, Cathleen Mary Moore, to William E. Ratcliffe, Jr., on Sunday, December 11th., at Bennettsville, S. C. Mrs. Ratcliffe is a 1927 graduate of Barium, and for the past three years has held a position with Campbell Brothers, Inc., in Raleigh. Mr. Ratcliffe was educated at N. C. State College and is in business with his father in the Glenwood Knitting Mills. They are at home at 610 Glenwood Avenue, Raleigh.

TWENTY FIVE PER CENT

(Continued from page 1)

ies, according to the records here, did not make an offering for this institution during the preceding year, though the remaining 37 did contribute during 1931-1932. This is purely a report on the financial giving, plus the Auxiliaries which clothe children. No doubt some of these organizations sent some clothing, quilts or foodstuff to Barium, and it is also likely that some of these organizations sent their gifts direct through the church channels and it was not designated when it was sent to the Home.

The initial survey of Auxiliary contributions to Barium showed that a total of 140 Auxiliaries did not give regularly, at Thanksgiving or make a special offering. However, in that total of 140 were 45 Auxiliary groups which were responsible for clothing, or sending money to clothe some of the children at the Orphanage.

Thirty-two of the Auxiliaries which do not give regularly have sent Thanksgiving gifts to Barium, six have made special contributions, and two have sent both special and Thanksgiving offerings. There were 18 others which gave special and Thanksgiving offerings, though not regularly, and which also clothe children.

Of the total of 368 Auxiliaries, the records show that 170 of them have sent a regular contribution, the type of gift around which this article is centered. While no tabulation of the Thanksgiving offering of these 170 were made, it is believed that most of them also sent in a Thanksgiving gift after November 24th, and many of them also assist in the clothing of the children at Barium.

INCREASED NUMBER

(Continued from page 1)

ported in 1932, though this number is beng reduced daily as the gifts continue to arrive. Many of the churches, which made an initial return immediately after Thanksgiving, are now sending supplementary amounts and are boosting their total above that of last Thanksgiving or very nearly approaching it. One church treasurer stated that members of his church had made Thanksgiving pledges to the Orphanage extending over a twelve months' period, which means that 1932 Thanksgiving Offering will be reaching the Orphanage as late as October, 1933.

On December 31st. the Thanksgiving Offering received at Barium totaled $26,342.05 which is $3,191.22 less than it was one year ago at that time.

Lady of House: "No we don't want no books, nor we don't want no calendars. We don't want no nothing."

Hawker: "What about a cheap grammar?"

I can not wear the old suit
I wore long years ago;
It's shiny at the shoulders,
My knees and elbows show.
But on investigation I
Discover this is true:
I can not wear the old suit,
Nor can I buy a new.

MANY CHURCHES

(Continued from page 1)

pose is to spur those churches who have not yet passed last year's total. No doubt considerable space will be required for a publication of this list before the year ends. It would be thrilling news-reading to see all of the North Carolina churches on this list.

The following is the percentage of monetary increase for each of the 121 churches.
